

ALO re-open April 15 2009.

Dear customer...

By various reasons ALO had to make a full and total reconstruction !

The slow down of the world wide economy forced us like many other to adopt to it.

We preferred to do internal cost cutting and changes in a early stage and by strength.

We have now completed it and we are now well prepared and equipped to follow the recovery of the world economy !

To kick start the ALO business again we have special offers, as follows:

Offer 1. Special machine offers valid from April 15 until stock cleared.

ALO do have a number of new machines on stock as we will offer to very-very special price ! A price that never ever will be seen again ! You can take advantage of this special offer by showing us your serious interest of specific machine.

Machines on stock are:

- ALO 103 Cubes and cube elevators and coiling system.
- ALO 110 Multi band washer, for Normac tooth ground bands.
- ALO 181 Band saw setting machine for 6 - 50 mm band saws.
